# GM230

## LARGE AUTO RIDE ON FLOOR SCRUBBER

Large capacity 275AH  
Fullriver battery, continuously  
work for 360 minutes

CURTIS Controller, PWM  
technology, energy feedback  
braking system, output high-power  
current, to ensure motor smooth

Low noise, 69db only, service  
for noise-sensitive places

Amer Linear Actuator

AMETEK Vacuum motor with  
36v, 560w, 21kpa vacuum  
degree, powerful suction

36V, 1200W power Amer driving  
motor, 9km/h speed, 40A  
current, powerful driving force.

Amer Linear Actuator

Amer brush motor with  
36V, 750W, high speed,  
stable and safe

## Technical Specifications

Voltage /  
Traction

36V DC/  
1200W

Brush RPM

300rpm

Solution Tank /  
Recovery Tank

200L/  
230L

Cleaning  
Path

900mm

Squeegee  
Width

1120mm

Productivity

8100m<sup>2</sup>/h

Weight

860kg
